How To Develop
Persistent,
Relentless,
Defiant Faith

Instructions: Spend the next 7 days stating this affirmation and prayer.

Affirmation

"I refuse to quit, and I will not be distracted or turned away by the perceived powers others think they have over me."

Prayer

God, help me remember the strength and power you put in me. When I feel rejected, remind me that I am unstoppable and possess the power to achieve every dream and desire you gave me. I alone determine how far I go, how much I achieve, and the heights I climb.
